

Plex Closing Policy Due to Inclement Weather

Plex Indoor Sports recognizes that conditions caused by snow, ice, or other weather emergencies can create a situation that makes it unsafe for students, parents, and staff to travel to and/or from Plex. Please refer to the procedures listed below for closing on regularly scheduled school days and regularly scheduled non-school days when emergency weather conditions warrant.

Plex Closing on Regularly Scheduled School Day

Plex will follow school closings and early dismissals as issued by Richland School District 2 when emergency weather conditions warrant. All half-day camps and PASS programs will be cancelled. The decision made by the school district are usually announced to local television and radio stations and posted on the district's website. Plex's website www.plexindoorsports.com will also be updated.

Plex Closing on Regularly Scheduled Non-School Day

Travel conditions and advisories are completed and posted by the South Carolina Department of Transportation. Plex, after having reviewed travel advisories in the Columbia area and the most current weather forecast, will make the decision to open Plex on schedule, open late, or close. The decision made by Plex will be announced and posted on the website www.plexindoorsports.com.

For complete details on these policies and procedures, please contact Plex Indoor Sports, 803-360-7300.
